LYME ART ASSOCIATION

JUNE-JULY 1991

MONTHLY MEETING MONDAY, JULY 1st - 4 PM

- On the agenda.....
- 90th Anniversary Plans
- Advisory Board
- ByLaw Comm. Update
- Artist-at-Work Report
- Grants?????

AT THE JUNE MEETING-----

We have more Associates attending our meetings each month. Their contribution is valuable in many ways beyond the pleasure of their company. They want to be helpful.....but they want, also, to be informed. In the future, if our resources permit, Associates will be on the mailing list for GALLERY NOTES.

Our discussions ranged from the latest problem with the roof estimates.....to the creation of an advisory board.....without final decision anywhere.

A temporary solution was arrived at in the confusion about "not-for-sale" or NFS designation on work other than

portraits. The consensus is that it should be allowed in a modest way by Member artists - one piece in a large group? The bylaws committee will have to consider it and propose the final statement. (As it stands in the bylaws now, only portraits can be NFS.)

Ann Moran has started the planning for our 90th ANNIVERSARY CELEBRATION at the summer show reception on the July 13th. It will include live music and other festive elements.....and some floral assistance from the Duck River Garden Club ladies, for whom Ann has expressed appreciation of their generosity.

JULY 7th - 4PM, Sunday - Summer Show Jury
13th - 3 to 5 PM - 90th Year Celebration

AUGUST 5th - 4 PM, Monday - Business Meeting
18th - 4 PM, Sunday - Receiving, Members Show
24th - 3 to 5 PM - Reception

90th ANNUAL SUMMER JURIED SHOW

Helen Schink is in charge of the hanging committee for this show. The receiving dates are July 6th and 7th.....nothing will be accepted after 4PM ON THE 7th, when the JURYING WILL BEGIN.

A prospectus is available in the gallery.....members should make sure that artists in the area have received their copies. Hopefully, we will have the number and calibre of submission equal to that in the Spring show.

Mac Nelson has been doing the cataloguing for all the shows.....but more volunteers are needed to help with submissions and returns on Sunday, the 7th. Let Bill know if you can come in earlier that Sunday to help!

WILDLIFE INVITATIONAL

Congratulations to our Associate Member Rob Braunfield for an excellent show. It represented a lot of hard work.....from selection of artists to getting the word out. We'll look forward to next year and hope that he will do it all again!!!

NEW MEMBERS

August 15th is the deadline for applications for membership. Forms are available at the desk.

An artist must have been accepted in two juried shows in a period of two years and be sponsored and seconded by three artist members in good standing.

The names are submitted to the membership two weeks prior to the Annual meeting. The applicant will be asked to present a resume and six works (not previously shown in the gallery) for consideration by the members at the Annual meeting on Sunday, September 8th.

SPRING JURIED SHOW

We had a good selection of submissions to our Spring Juried Show. With the return of many of our TWObyTWO guests plus a lot of new artists.....and a good showing of sculpture, Al Vetromile and his crew have put together a fine looking exhibition.

A REMINDER: There are places left on the gallery calendar for desk sitters. Can we assume that every member exhibiting in this show has signed up for their day at the desk?
